1. Click "Inquiry" in the main page.

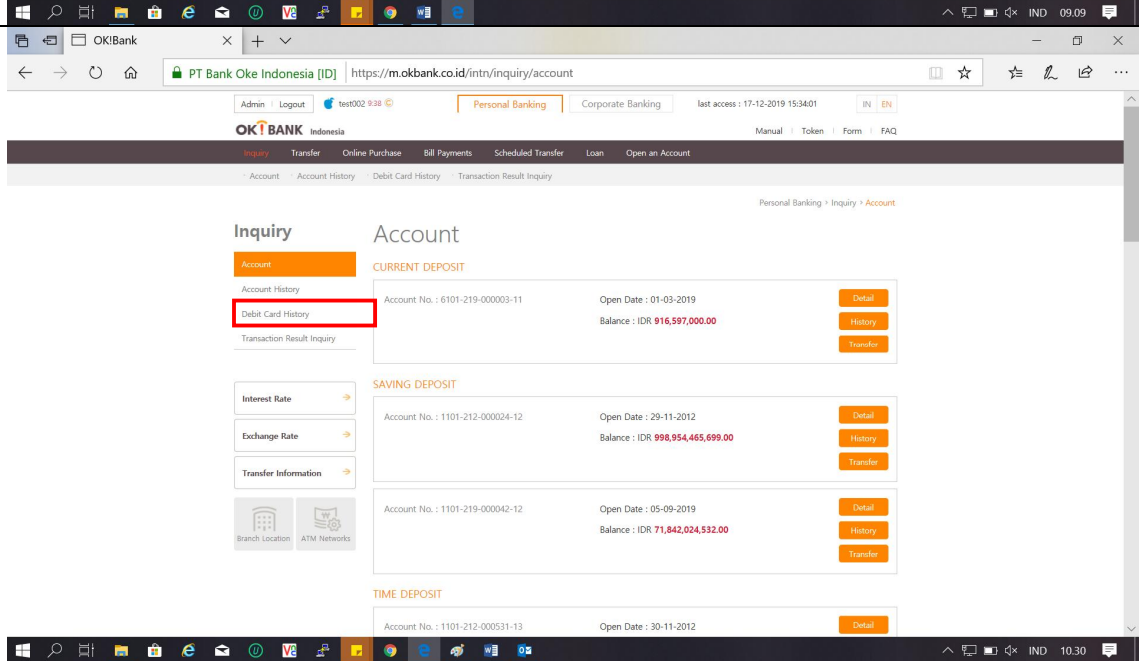

2. Select the account you want to see.
3. Press "details" if you want to see account information such as the account opening date.
4. Press "History" if you want to see account movements.
5. Press "Transfer" if you want to transfer immediately.

Debit card history

The screenshot shows the OK Bank Indonesia mobile banking homepage. The 'inquiry' button is highlighted with a red border. The page includes navigation links for 'Personal Banking' and 'Corporate Banking', and various service icons like 'transfer', 'loan inquiry', and 'open an account'. It also displays interest and exchange rates.

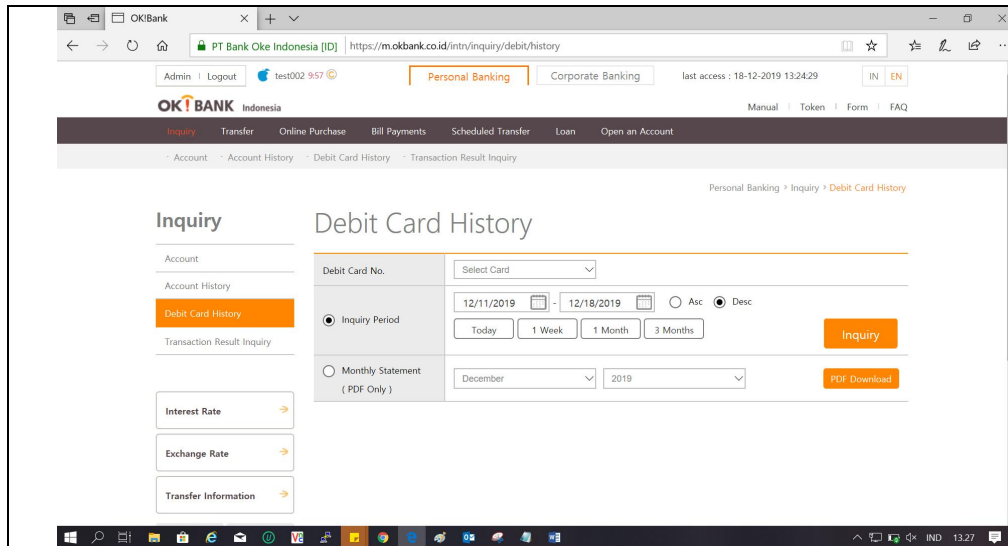

6. Click "Inquiry" in the main page.

The screenshot shows the 'Account Inquiry' page. The 'Debit Card History' link is highlighted with a red border. The page displays account details for 'CURRENT DEPOSIT', 'SAVING DEPOSIT', and 'TIME DEPOSIT'.

7. Click "debit card history".

Account Type	Account No.	Open Date	Balance	Actions
CURRENT DEPOSIT	6101-219-000003-11	01-03-2019	IDR 916,597,000.00	Detail, History, Transfer
SAVING DEPOSIT	1101-212-000024-12	29-11-2012	IDR 998,954,465,699.00	Detail, History, Transfer
SAVING DEPOSIT	1101-219-000042-12	05-09-2019	IDR 71,842,024,532.00	Detail, History, Transfer
TIME DEPOSIT	1101-212-000531-13	30-11-2012		Detail

8. Internet Banking display will appear as shown on the side. Customers can see the history of special transactions for purchases at debit merchants.
